

Dear Students and Parents of Don Bosco MHSS, Katpadi,

We announce a great opportunity for you. All India Don Bosco Education Society (AIDBES) is partnering with INTEL Co. to promote AWARENESS of and APPRECIATION for Artificial Intelligence. Interestingly, other members of the family are also invited to participate as multiple log-in IDs can be created with the same registered cell number.

'AI For All' is a 2+-hour, self-paced, micro-learning program aimed to help demystify AI for the general public especially young people. You can continue where you left off any time by logging in again.

The program is divided into two sections: **AI Aware**, and **AI Appreciate**. Both sections can be completed in about two hours. The program is available in 11 languages - **English**, Hindi, Malayalam, **Tamil**, Telugu, Oriya, Bengali, Kannada, Gujarati, Marathi, Punjabi.

AI Aware introduces the participant to AI and helps them to realize to realize that AI mimics Human intelligence. After going through this section, the participant will be able to:

- Describe what AI is and get to know what it can do.
 - Become aware of present-day applications of AI
 - Debunk some common misconceptions around it
2. **AI Appreciate** helps to understand the possibilities, concerns, and the principles of responsible AI and AI ethics. Along with understanding these key concepts, the participants will be able to:
- Understand the key domains of AI.
 - Impact of AI across various industries.
 - Get started with a personal plan to explore AI.

Each section includes images and interactive activities with a short and easy quiz. Passing this quiz grants the participant a digital badge and a certificate that they can share on their social media accounts and tag #AIForAll. Participants can take this quiz as many times as they want.
